BENEFITS:

- Company logo displayed on all FTI program-specific electronic and print marketing and training materials, emails, online registration webpages
- Recognition at all program-specific events and through FTI social media platforms
- Company logo displayed on "Our Sponsors" web page
- Opportunity to display/distribute company information at all FTI events
- Use of "Proud to Sponsor" logo
- Right of first refusal to the same sponsorship the following year

FASTENER TRAINING INSTITUTE

Fastener Basics Like Never Before

BEGINNING APRIL 2021

A BRAND-NEW OFFERING FOR FASTENER BASICS TRAINING

We're presenting Fastener Basics like you've never seen before – in 22 live webinar sessions! Beginning in April 2021, every other week we will host a 90-minute webinar. This fast-paced program will cover all topics relevant to new fastener professionals and will leave you prepared for advanced learning in the FTI's Certified Fastener Specialist (CFS) training program. Each topic is discussed in open format with real-time Q&A.

COURSE DETAILS

- Biweekly 90-minute live webinars
- Recommended for all sales, purchasing, warehouse, quality and management personnel
- All sessions cover both inch and metric products as applicable
- Open format with real-time Q & A, including opportunities to ask questions covering previous sessions
- Unlimited access to all previously recorded webinars during the course of the program
- Ability to join the program at anytime

PRICING
\$2,199

- Attendance for the entire program
- Up to 5 logins
- Access to all previously recorded Fastener Basics Sessions, making it easy to catch up if you miss one

MEET YOUR INSTRUCTOR

Carmen Vertullo
CFS

Carmen is a founder and owner of AIM Testing Laboratory, a fastener testing, consulting and training company in San Diego, CA. He has trained hundreds of beginner and advanced fastener professionals and knows all about the issues and concerns that fastener suppliers face on a daily basis. Carmen will present technical information in an easily understandable way complete with unforgettable real-world fastener stories.

FASTENER TRAINING WEEK SPONSOR | \$5,000 per week-long class (3 per year)

Fastener Training Week offers five intensive days of education and plant tours as part of the acclaimed FTI Certified Fastener Specialist (CFS) advanced technical training program. After completing this invaluable industry training and passing a final exam, attendees are eligible for their CFS designation. FTI hosts four Fastener Training Weeks each year in different cities attracting on average 30 participants each session.

BENEFITS:

- Company logo displayed on all Fastener Training Week electronic and print marketing and training materials, emails, online registration webpages
- Daily recognition at Fastener Training Week and through FTI social media platforms
- Company logo displayed on "Our Sponsors" webpage and use of "Proud Sponsor" logo
- Opportunity to display/distribute company information at all FTI events
- Right of first refusal to the same sponsorship the following year
- Opportunity to send promotional items and a line card for attendees

SIGNATURE EVENT SPONSOR | \$5,000 per event

Every year, FTI provides full-day training classes at two of the largest trade shows in the fastener industry. These sponsorships are a great way to gain high visibility among professionals in every segment of the market.

TRADE SHOW OPPORTUNITIES:

- Fastening 101 at Fastener Fair USA
- Fastener Technology Workshop at International Fastener Expo

BENEFITS:

- Logo at the FTI Booth, and at the in-person class associated with the show.
- Logo displayed on all FTI program-specific electronic and print marketing and training materials, emails, online registration webpages, and “Our Sponsors” webpage
- Recognition at all program-specific events and through FTI social media platforms
- Opportunity to distribute company information at FTI exhibit booth and class
- Use of “Proud to Sponsor” logo
- Right of first refusal to the same sponsorship the following year

TEXTBOOK SPONSOR | \$5,000-\$10,000

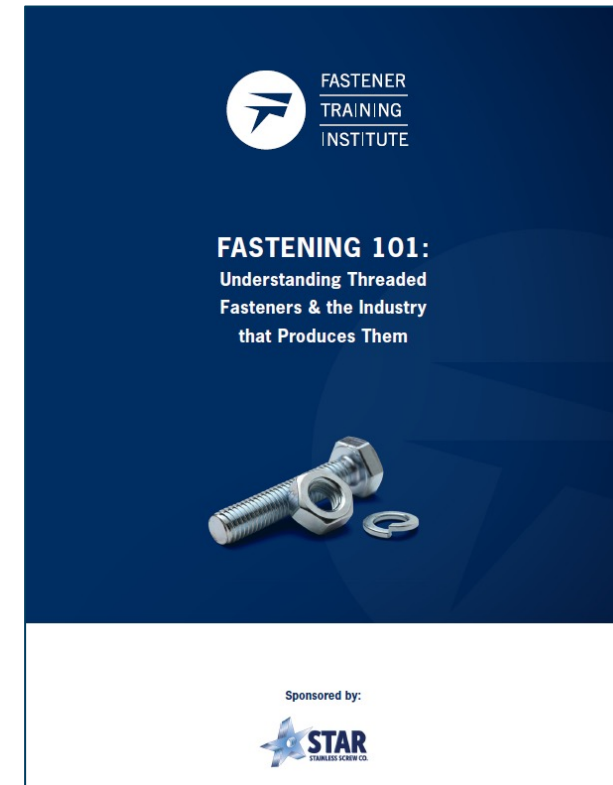

FTI leads the sector in producing resources that fastener professionals know they can turn to for trusted, up-to-date information. Your sponsorship will help provide workbooks, guides and other materials that support the fastener industry.

OPPORTUNITIES:

- Product Training and Fastener Basics textbooks: \$5,000
- Certified Fastener Specialist single-day class textbooks: \$5,000

BENEFITS:

- Logo on workbook covers
- Logo and sponsor recognition at classes
- Opportunity to insert line card into materials
