FASTENER TRAINING INSTITUTE

FTI ONLINE LEARNING LIBRARY: ON-DEMAND TRAINING

Corporate, Gold and Basic Subscriptions plus à la carte rentals available

Fastener Training Institute's **Online Learning Library** makes fastener training convenient and accessible. Learn when time permits – at a desk, in a conference room or on the go. With 40+ courses, FTI's Online Learning Library makes it easy to keep employees up-to-speed in the workplace. Choose from an annual subscription shown below - or rent individual webinars for 14-days for $79.95.

Corporate Subscription

Our premier employee development solution, featuring unlimited webinar viewing access for your entire team plus five LMS user accounts. Ideal for organizations committed to continuous learning, structured training, and employee record tracking.

- **Unlimited Webinar Viewing** – Give your entire team unlimited viewing access to FTI's complete training webinar library.
- **Five LMS Accounts** – Assign five unique logins.
- **Trackability and Individual Employee Training Records** –Track participation, course completion, and training history for individual users.
- **Quizzes & Certificates** – Access to quizzes and certificates of completion.
- **Additional LMS User Accounts – $50 Each** – Easily expand individual training tracking capabilities by purchasing additional user accounts.

$5,000 Annual Investment

Gold Subscription

Provides 10 total views of each webinar, perfect for expanded education across a small team, when tracking and testing area not needed.

- **Access to All Training Webinars** – Explore FTI's complete library of educational webinars.
- **10 Views Per Webinar** – Multiple employees may access webinars using a shared company login, subject to a 10-view limit per webinar.
- **Convenient On-Demand Learning** – Employees can access training at their convenience throughout the subscription year.

Note: The Gold Subscription does not include individual LMS accounts or employee training records. Each webinar view counts toward the 10-view limit, regardless of which employee accesses the training.

$3,000 Annual Investment

Basic Subscription

Ideal for onboarding new employees. Unlimited access to our Fastener Basics and Metric Fasteners webinar series is coupled with the option to track individual training progress.

- **Fastener Basics Webinar Series (four-part)** – Unlimited viewing of essential fastener terminology, products, applications, and fundamental concepts.
- **Metric Fasteners Webinar Series (two-part)** – Unlimited viewing of metric fastener terminology, specifications, and applications.
- **Two LMS Accounts** – Assign two unique logins.
- **Additional LMS User Accounts – $50 Each** – Add individual accounts as your training and employee tracking needs increase.
