## Introducing the 2020 RCSC Specification

WEBINAR | APRIL 28 | 12-2 PM EST

[Click here to register](#)

### INTRODUCING THE 2020 RCSC SPECIFICATION

The Fastener Training Institute is co-producing this Industrial Fasteners Institute Education Webinar on the most important changes and new requirements in the 2020 edition of the Research Council on Structural Connections (RCSC) Specification for Structural Joints Using High-Strength Bolts. The 2020 RCSC Specification reflects the most recent technological innovations and practices in bolting of structural steel connections. Upon completion, participants will receive 2 Professional Development Hours (PDH).

#### WHO SHOULD ATTEND?

- Professional structural and civil engineers
- Anyone who manufactures or sells structural bolts
- Professionals that detail, fabricate and erect steel structures using structural bolts
- Anyone needing 2 PDH

#### WHAT TOPICS WILL BE COVERED?

Attendees should download a free copy of the Specification at [www.boltcouncil.org](http://www.boltcouncil.org) Each topic will be explored in depth with and opportunity for Q&A

- Updated design practices
- New ASTM standards
- The addition of bolt “groups”
- New pretension criteria
- An innovative new installation method

*Please note: Upon webinar completion, registered attendees will receive a certificate with 2.0 Professional Development Hours shown and a course outline. It is the responsibility of attendees to verify the requirements for continuing education in the jurisdictions where they practice to ensure this program qualifies.*

### DETAILS

Register: [bit.ly/ifieduwebinar](http://bit.ly/ifieduwebinar)

**Wednesday, April 28**

12 – 2 p.m. ET (11 a.m. – 1 p.m. CT /  
9 – 11 a.m. PT)

### PRICING

We are offering this training opportunity at a discounted rate to support the industry during this global pandemic.

#### Non-Members

Single User Rate: **\$99**

Group Rate: **\$389** up to 5 people

#### IFI Members

Single User Rate: **\$49**

Group Rate: **\$195** up to 5 people

#### MEET THE INSTRUCTORS:

**Dr. Salim Brahimi**  
IFI Director of Engineering &  
Technology and Chair of RCSC

**Chad Larson**  
President of LeJeune Bolt and  
Chair of the RCSC Task Group on  
Installation
