UNDERSTANDING THE VALUE YOUR QMS BRINGS TO YOUR ORGANIZATION

The Fastener Training Institute and Industrial Fasteners Institute are offering a live, two-hour virtual training course to dive deep into the value QMS brings to organizations. This is not a dry summary of several hundred requirements that current revision, formal Quality Management Systems standards require. This class is a philosophical look at what belies these QMS standards and why having one is strategic for your organization.

WHO SHOULD ATTEND?

- Upper and mid-level management
- Those new to the fastener industry or manufacturing
- Companies considering obtaining a formal QMS certification
- Those looking to understand why their company approaches activities and processes the way they do

WHAT TOPICS WILL BE COVERED?

Each topic will be explored in depth with opportunities for Q&A.

- Demystifying QMS
- QMS standards strategy
- Benefits of QMS to your organization
- QMS certification process
- Corporate activities and processes
- Understanding and appreciating QMS
